The documentation is reproduced here for your inspection and will become the property of the next owner.*

Mr. F. Crocco,  
Box 1714,  
Timmins, Ont.

Dear Mr. Crocco,

I was extremely interested to see the coin which you sent down to Toronto the other day. I have been interested in it ever since you originally sent me the photograph. I do not know whether you are thinking of parting with it, but I should be very glad to have it for the Museum if you are. I should be very glad if you would let me have your views on the question. We would be prepared to offer you somewhere about \$70 for the coin, which is a fairly generous estimate of its present market value. I hope at least that if you do think of parting with the coin you will give us as a Canadian Museum, the first opportunity of buying it. Could you let me know exactly where in Italy your mother found it?

Hoping to hear soon what you think of this matter,

I am,

Yours faithfully,

Mr. T. Crocco,  
Timmins, Ont.

Dear Sir :-

Your letter of May 8th, concerning the gold coin in your possession, has been duly received.

We are in a position to pay you as much, and more, than any dealer can give you because, as a Museum, we do not have to consider the necessity of making a profit. It is almost impossible, though, to make you a definite offer for your coin without seeing the piece in question. Its real value would depend very greatly upon its condition, weight and these cannot be determined from a photograph alone.

We would suggest about sixty-five dollars (\$65) for the coin as it is - provided of course that it is genuine and ancient as it appears to be from the photograph. If, however, you care to send the coin to us for inspection and the piece proves to be all that the photograph suggests we could very probably make you a better offer.

If you should decide to send it to us pack it carefully in a box, send by registered mail, request a return receipt, and address the package to :  
Museum of the American Numismatic Society,  
156 th Street and Broadway,  
New York, N.Y. U.S.A.

As the coin is being sent to a Public Museum, a perfectly reasonable public institution, you will have no need to worry.

Awaiting your reply, I remain,

Very truly yours,

Edward T. Newell
